Application Due Date:
January 08, 2012

Solicitation:
[PHS-2011-2 PA-11-096](#)

Close Date:
January 08, 2012
Topic Number:
22

Description:

The mission of the National Center for Complementary and Alternative Medicine (NCCAM) is to explore complementary and alternative healing interventions in the context of rigorous science; educate and train complementary and alternative medicine (CAM) researchers; and disseminate authoritative information to the public and professionals. CAM encompasses those healthcare and medical interventions that are not currently an integral part of conventional medicine. For a detailed description of NCCAM mission, "<http://nccam.nih.gov/about/plans/2005/index.htm>"
